

With great pleasure we invite you to participate in the
Two-day systemic constellations workshop
„Positive Solutions for Positive Living“
in Sarajevo from 12-13 May 2018

The workshop will be led by **Mr. Horst Brömer** of Berlin, the psychologist, psychotherapist, supervisor and acknowledged systemic constellations facilitator and trainer (DGfS) with multiple years of international experience; in BiH since 2011.

The opportunity to find causes and seek positive solutions to the difficulties related to their personal and professional life shall be given primarily, to the individuals who are psychotherapy clients, and who will, in the presence of their primary therapists, do their personal constellation facilitated by Mr. Brömer.

Invitation to participate in the workshop as observers or representatives is extended to:

- Certified and current trainees of the systemic constellations training programme in BiH led by Mr. Brömer; the hours of attendance shall be recognised as hospitation hours.)
- Helping professionals (physicians, psychotherapists, psychologists, social workers, pedagogues,...) who want to get familiarised with the therapeutic technique of systemic constellations and to experience firsthand the benefits of the participation in a constellation workshop.

Systemic constellations is a therapeutic technique primarily used in group therapy work. It has proved to be exceptionally effective in understanding trans-generational transfers of unresolved conflicts, traumas, experiences and emotions within a family system, thus offering additional understanding of various forms of maladjusted behavior.

Time table:
